Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D. C.

Dear Bill,

I want to take this opportunity to personally thank you for your concern and continued efforts regarding the FBI's Foreign Counterintelligence (FCI) Program and its resource requirements. The latest acceptance by the Office of Management and Budget of our Fiscal Year (FY) 1984 FCI budget request, with its implication for future fiscal years, would not have been possible without your assistance.

You have my personal commitment that the additional resources approved for the FCI Program in FY 1984, and in subsequent years, will be deployed so as to achieve our FCI objectives in the most efficient and effective manner. At the same time, we remain committed to fully support the efforts of the entire U.S. Intelligence Community.

Sincerely,

Bill

William H. Webster
Director
